To whom it may Concern,

I am delighted to offer this letter of support on behalf of Elley Ray Hennessey. I understand she is applying for a teaching position. As per her CV, there is no question that Elley Ray is a world renowned voice over artist. She is also an exceptional teaching artist. Over the past five years, she has led several weekend intensives for our students at the School of Dramatic Art, University of Windsor. In 2015, she also taught a week long course (36 hours) for course credit. The impact Elley has on students and clients is profound. I watched students grow their self-confidence significantly after only three days of working with Elley. She helps artists in training find their 'voice' in many ways. The power of her work is far reaching and I highly recommend her to you. As the business of voice over work grows steadily, Elley is highly committed to teaching and coaching young artists in this area of performance training.

On a more personal note, we are proud to call Elley Ray a distinguished alumni of our School. In 2016, we awarded Elley with an Honorary Doctorate. She is a most generous teacher, and is one of the hardest workers I know. She is an excellent role model for students. With her busy schedules, she always finds time for teaching. She is lovely, vibrant, has tireless energy and is a welcoming addition to any team. Hire her, you won't find better.

All the best,

A handwritten signature in blue ink that reads "Tina Pugliese".
